

“The world of the future will be an ever more demanding struggle against the limitations of our intelligence, not a comfortable hammock in which we can lie down to be waited upon by our robot slaves.”

Norbert Wiener, father of cybernetics, AI & robotics, 1964

Robotics Expert Warns Future 'Is Coming Much Faster Than We Think'

Vehicles, Land, Air & Sea

- Google
- CARS
- Velodyne
- 3D Robotics
- Novariant
- Open ROV
- Liquid Robotics
- Deep Ocean Exploration & Research

Manufacturing & Industrial SVR

- Adept
- FYS Systems
- E-systems
- KLA-Tencore
- Modbot
- Qbotix
- Redwood Robotics
- Otherlab

Health & Personal Care

- Intuitive
- Accuray
- Tibion
- Restoration Robotics
- Hansen Medical
- Geppetto Avatars
- EksoBionics

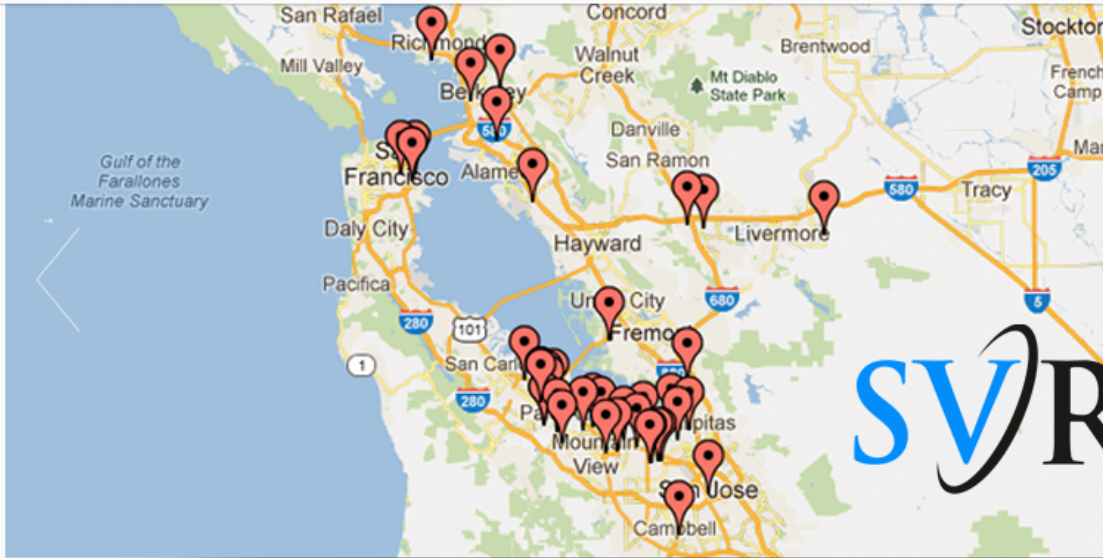

Consumer & Service

- Neato
- Mint (acq by iRobot)
- Double Robotics
- Suitable Technologies
- Revolve Robotics
- Momentum Machines
- Blue River Technology
- Fellow Robots
- Savioke

of robotics technologies”

Robojobs

Silicon Valley Robotics and Robohub have partnered to provide a new jobs site for the best in robot jobs, reaching the best robotics people. Resumes are free. Join SVR for discount job post packages.

Upcoming Events

Don't miss our next event or other great robotics events from our partner organizations. Subscribe to our calendar or newsletter. SVR members may also get additional discounts or invitations.

Partner Opportunities

Are you interested in sponsoring Silicon Valley Robotics, or one of our signature events or communications? We'd like to talk to you.

JOIN SILICON VALLEY ROBOTICS NOW

Silicon Valley Robotics

- Industry group or trade association representing robotics companies and professionals in the Silicon Valley area
- Largest robotics cluster in the USA
- We are a non-profit 501(c)6 business league formed to support the innovation and commercialization of robotics technologies
- Founding members - Adept, Bosch, Willow Garage, SRI International and 20+ other robotics companies.

Membership also open to individuals

SVR Member

- Local office
- Engaged in production of robotics or robotics technologies

Local Affiliate

- Individual
- STEM organization
- Affiliated industry
- Sponsors

Global Partner

- Not local
- Robotics or affiliated industry
- Marquee partners

Silicon Valley Robotics

- Network events
- Investor Breakfasts
- Social Meetups
- Industry Reports
- Special Interest Groups
- Media Liaison
- Directory
- Robojobs

Korea Robotics Comes to Silicon Valley

Keynote speakers and startup pitches from US and Korea
June 25 at Jabil Blue Sky Innovation Center

Advertise your robotics job to more than 60K robotics experts from around the world each month.

Target your recruiting campaign via the Robohub and Silicon Valley Robotics networks to reach a pool of highly educated robotics experts - just the kind of person you need to hire!

30-day postings and packages are available to meet a variety of business needs.

Partnership with Robohub – global robotics research network – connecting quality robotics professionals with interesting job opportunities

January 2015

Interviews with CEOs of robotics companies,
summaries of investments in robotics and trends
affecting the future of the robotics industry.

Report on robotics in Silicon Valley 2014

Annual snapshot:
Investment trends
