Sponsor, Showcase or Speak at a Silicon Valley Robotics Event

Join us at Silicon Valley Robotics, MechLabs and Circuit Launch in Oakland for a week full of exciting robot activities!
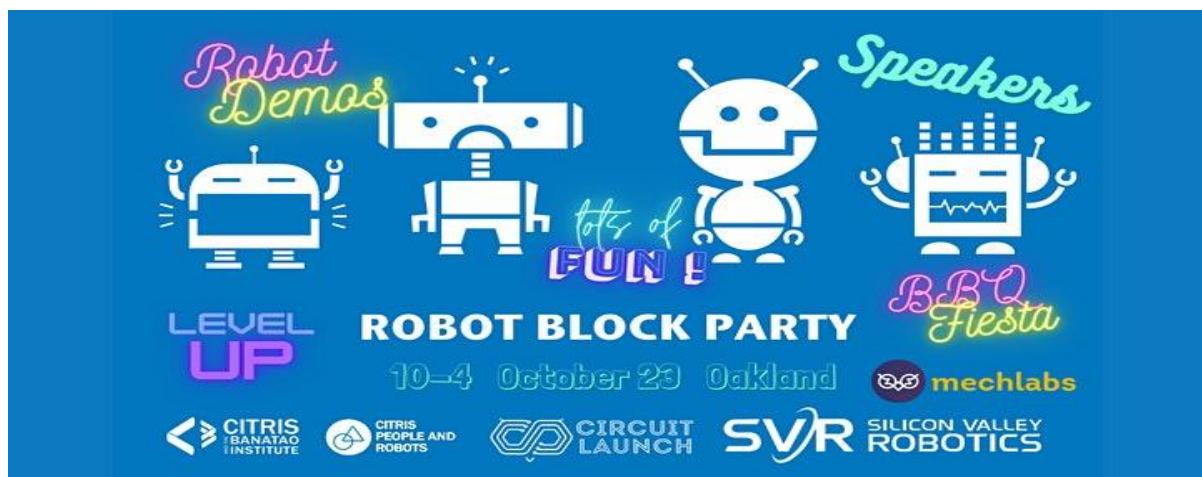

On Wednesday Oct 20th and Thursday Oct 21st we're hosting a Viewing Party & Screening for ROSWorld 21 : https://roscon21-viewing-party.eventbrite.com

- *register for ROSCon '21 here : https://roscon.ros.org/world/2021*

On Friday Oct 22nd we're hosting robot developers workshop day, with Foxglove Robotics, Haddington Dynamics, PickNik Robotics, Merklebot and Spot from Boston Dynamics (more TBC) : https://robot-developer-day.eventbrite.com

- *all Circuit Launch events require masks to be worn inside*

And on Saturday Oct 23rd we're hosting the Robot Block Party, with demos, speakers, job fair, robots, robots, more robots, fun, food trucks and fiesta! https://robot-block-party.eventbrite.com

Interested in Hosting an SVR Event in 2021-22?

Now that in-person events are starting up again, we're looking for hosts or sponsors for our events in 2021 and 2022. It's a great opportunity to showcase your tech, speak about robotics and recruit for your company. Previous in-person SVR events would have between 50-150 attendees, and we're not just doing in-person now, we'll be doing hybrid events.

- Host a Bots&Beer or Women in Robotics event at your location and provide the refreshments/staff
- Sponsor us to host it for you at Circuit Launch for $1000
- Secure a place at the Online Robotics Job Fair for $250, or book the entire evening exclusively for $1000
- Get your name/logo on the event, social media, SVR calendar, website and newsletters, plus the opportunity to speak and showcase your technology

Showcase, Speak or Sponsor our Next Events?

ROSCON'21 VIEWING PARTY
Enjoy ROS World with refreshments and great company at Circuit Launch in Oakland from 7:30am to 5pm on Wednesday October 20 and Thursday 21. We'll have two screens and rooms for each track, power, wifi and optional dedicated presenter room if you're also speaking at ROS World.

- Sponsor a screen for $250 for one or $500 for both days
- Sponsor refreshments for one or both days at $15 per person per day
- We already have 44 RSVPs and max cap at 75

ROBOT DEVELOPER DAY
It's your call! We've put aside the whole day and two spaces for developer workshops. If you're already signed up (Foxglove, PickNik, Haddington Dynamics and Merklebot) we'll be contacting you today to get a description of your workshop, presenter bios, duration, and any prerequisites for people. You can also do virtual or hybrid workshops.

- Be a hero and sponsor the whole Robot Developer Day for $1000 with max publicity
- Sponsor refreshments for your workshop or for the whole day at $15 per person
- We already have 20 RSVPs and haven't shared a workshop list yet!

ROBOT BLOCK PARTY
The best robot block party in the world is back! Saturday October 23 at Circuit Launch in Oakland from 10am to 4pm. Attending and demoing your robots is free. So is putting your jobs on our jobs wall. We have spaces for 12 Tech Talks.

- Be a Superhero and sponsor the whole Robot Block Party for $10000 with max publicity
- Sponsor refreshments from a food truck for $15 per person and we'll print meal tickets with your name/logo
- Sponsor a community speaker or your own Tech Talk for $300
- We already have 300+ RSVPs

Volunteer with Silicon Valley Robotics?

Now that we're doing in-person events again, we'd love to have your help! Help us with organization, and help us on the day. We need organizers, moderators, MCs and helpful people. In exchange you get a Limited Edition 2021 Robot Block Party STAFF T-shirt (design still being customized), a selection of Silicon Valley Robotics swag, the chance to meet some really interesting people and a cool credit for your Linked In. Email Andra@svrobo.org
